I have prepared a very rough draft of relevant talkers from the last few congressional briefings we've done. It is on H, West Lake Schedule Tracker, subfolder Congressionals, filename "DRAFT fact sheet for budget release hearings for Administrator.docx". I added a couple of other sources of potential information to incorporate at the beginning of that file. As the template promised below is nowhere to be found someone will have to distill and format these bullets as appropriate.

Good Morning,

I spoke with Jim Blizzard , Senior Policy Advisor in OCIR to get clarification on the request for fact sheets.

Jim stated that what is currently due are fact sheets for the Budget Release that will take place on March 4.

These fact sheet should be on anything that is major and currently in the press. Current issues in the press are what the Administrator typically gets questions on during the Budget Release.

If you have issues, sites, projects, etc., that fit this request, please email your completed fact sheets to me by **COB February 24**.

Please begin to prepare for your member specific fact sheets which will be upcoming after the budget release.

I will provide you specific dates for those fact sheets soon.

If you have any additional questions or concerns, please let me know.

Thanks.
